Full Stack Web Developer

Full Stack web developer with a business background aspiring to build more intuitive user experiences and explore API development. Recently earned a certificate in full stack development from the University of Minnesota. Recognized as a goal oriented team leader and patient problem solver. Excited to develop effective applications that are engaging and efficient. Recently worked on a team of three, applying agile development and MERN technologies to develop an application that helps users find local restaurants of interest.

Technical Skills

Languages: JavaScript, HTML/CSS, SQL, HTML5, CSS, JSON, React, React-Native

DataBase: MongoDB, MySQL, Express, Sequelize

Projects

TheDailyDispatch <https://fox-yokai.github.io/daily-dispatch/#> | <https://github.com/fox-yokai/daily-dispatch>

- Build a mobile first application that allows users to search for their favorite superhero and learn facts and read the latest news about the hero.
- Tools used: HTML5, CSS, Bootstrap, JavaScripts, SuperHeroAPI, JQuery

Travelist <https://obscure-bayou-21974.herokuapp.com/> | https://github.com/bpolo15/Travel_Wishlist

- Built an application that users can utilize to collect their travel data. Users can build and manage a collection of destinations and activities for each destination.
- Tools used: HTML5, CSS, Bootstrap, JavaScripts, JQuery, NodeJS, Express, MYSQL, Sequelize, Passport

Foodr <https://stormy-temple-11334.herokuapp.com/> | <https://github.com/salmoahmed/Fooder>

- Built an application that users can utilize to search for and save restaurants nearby.
 - Tools used: React, CSS, Bootstrap, JavaScripts, NodeJS, Express, MongoDB, Mongoose, GooglePlacesAPI
-

PROFESSIONAL EXPERIENCE

Allianz Global & Corporate Specialty | Minneapolis, Minnesota | October 2017 - November 2019

Senior Premium Auditor

Audited premium assessments for Workers Compensation and General Liability insurance policies in coordination with brokers, agents, and underwriting negotiations for specialty policies. Audits adhered to both state insurance regulations and negotiated underwriting terms.

- Completed project to address 2 year backlog in filing. Developed and implemented new processes to streamline the filing process.
- Managed team's daily work distribution and assignments.

University of Minnesota, Dept. of Curriculum and Instruction | Minneapolis, Minnesota | May 2015- May 2017

Executive Administrative Specialist

Administered research grants and other funding for university professors and scholars including preparing various reports, accounts and reconciliations. Also, supervised three department student employees.

- Managed endowment fund allocations for department scholarship and fellowship awards (~\$25M).
-
